What a gem! Great location, even with challenging Welsh winter weather! Very exciting (& loud, mind!) Would love to return in summer. Thank you for such a relaxing and peaceful retreat.

Super cute and cosy! Perfect escape from the world to chill and recharge. Perfect hosts and all the facilities we needed, couldn't fault a thing. Lola especially enjoyed the warm fire.

Lovely place, had a lovely short stay, the place has everything you need and fantastic that you can bring a dog. Loved the special treats. Just fab.

What a way to start 2018! The Cwtch provided the perfect base to explore the Ceredigion coast and getaway after the Christmas rush. With more than the basic necessities, a perfect warming fire and the central location, we really couldn't have asked for more. Lots to see and do within walking distance, even in the depths of winter. Llangrannog, with its remote and wild beaches, pub with fantastic sea view, and marine wildlife was a highlight of the trip! Would definitely look to come again in the summer months! Thank you very much for allowing us to share this place with you!

Diolch for a wonderful welcome and for your help with the fire! Such a lovely, restful hideaway - perfect in the depths of winter! Nadolig Llawen!

Needed a few days to relax after a very busy year and before the chaos and craziness of Christmas begins! The Cwtch was perfect - warm, comfortable, cozy and quiet. Absolutely ideal. Intended doing lots of walks but instead enjoyed lots of reading in front of roaring log fires. Thank you ever so much for your friendly welcome.

Thank you Sarah & Justin for a lovely relaxing stay at "The Cwtch". It was so cozy to "Cwtch" up in front of the log burner and enjoy a glass of wine and a DVD. We found everything that we needed here and the bed was very comfortable. We hope to see you again soon.

P.S. Thanks for the lovely Welsh Cakes on arrival ☺
